

## Atlantic 360 Residences

**Price:** USD 960.705 (AWG 1.729.269)

**Location:** Noord

Indulge in the ultimate luxury living experience at Atlantic 360 Residences, where paradise becomes your everyday reality. Nestled along the pristine shores of the renowned Eagle Beach, with its inviting turquoise waters and powdery white sands, this exclusive enclave offers unparalleled access to Aruba's finest attractions. Just moments away, discover an array of exquisite dining options, premier shopping destinations, vibrant entertainment venues, and convenient grocery stores, ensuring every desire is effortlessly fulfilled. Ascending into the sky, the modern 7-story luxury building of Atlantic 360 Residences stands as a beacon of sophistication. Comprising 25 condominium homes across two towers, this architectural masterpiece is situated on a triangular corner plot, making a bold statement from every angle. Stepping inside, you're greeted by a triple-height monumental atrium, a testament to the commitment to ecological awareness and energy efficiency. Equipped with the latest in air conditioning technology, the building ensures optimal thermal comfort while minimizing environmental impact. Each residence within Atlantic 360 exudes opulence, boasting elegant details, sumptuous finishes, and sleek, contemporary design elements. From every corner, indulge in breathtaking ocean views, seamlessly integrated with state-of-the-art in-suite technology and high-speed internet access, ensuring
